

# Sponsor a Navigator Missionary!

Navigators raise *all* of their personal support, salary, benefits—everything! It takes a lot of sponsors who give \$25, \$50, even \$100 or more every month. Below are Navigators with new assignments who need your help!

## Navs Collegiate, UCLA

**Jason and Erin Jew**  
UCLA Campus Directors  
Sponsor them at [navgift.org/jew](http://navgift.org/jew)

Jason and Erin Jew are excited to return to UCLA as campus directors. They worked on the UCLA campus previously, then spent two years at UC Riverside for further leadership training.

They both love doing Investigative Bible Discussions (IBDs), reading the Bible with interested students. Pray for IBDs in the freshman dorms.

Charlie, one of the seniors in The Navigators ministry, recently asked Jason, “Can you teach me how to disciple others? I want to learn how to pour into freshmen.”

Pray for key students to help build a foundation for generational laborers to come out of UCLA. Jason and Erin desire to establish students in their faith, equip them to invest in others, and to share Christ with their friends.

UCLA is an international campus, with 127 countries represented. Several student leaders are from Singapore. They are praying for opportunities to reach across cultures and for multi-cultural ministry to the campus.

## Nations Within, MN

**Steven and Susie Brooks**  
Nations Within, North Branch, Minnesota  
Sponsor them at [navgift.org/brooks](http://navgift.org/brooks)

Susie was disciplined by The Navigators when she was living in Kenya. Then Susie and Steven met when they were working at Bethel College and Seminary in Minnesota. Steven is a pastor and they have a 12-year-old son, Jonathan.

God keeps bringing international families across their path. As staff with Nations Within, Susie focuses on reaching those from different cultures, particularly professionals who may not have the same needs as refugees, but have spiritual needs.

They have also started a new private classical Christian school, Veritas Academy. By investing in the next generation, they are helping children grasp what it means to follow God. The school has a core foundation around Navigator principles of discipleship and they are able to minister to the community and share the Gospel with students of many ages and their families!

Please pray God would help them find people searching for hope right in their community. Pray for open doors among the people they are befriending.

## Navs Collegiate, University of Georgia

**Justin and Sara Woody**  
University of Georgia  
Sponsor them at [navgift.org/woody](http://navgift.org/woody)

Both Justin and Sara have already seen the power of spiritual generations at work in their ministry. Justin is on his first year of staff and Sara has been with the Navs for three years.

Justin befriended Erik when they were both undergrads. Erik didn't have a relationship with Jesus, but Justin challenged him to consider faith. Erik went through a dramatic transformation and not only came to faith but also wanted to reach out to other guys. He started leading a freshman Bible study. Now Erik is joining EDGE Corps—The Navigators internship program—to continue discipling students.

Sara saw Brittany grow from a quiet observer to a leader on the UG campus as she was challenged to take next steps in her faith. Now Brittany is discipling Brooke, who is also discipling others.

Pray for spiritual generations on campus. Also, the University of Georgia campus team is praying that they can reach every country, through international students and study abroad opportunities!
